

### **REMARKS**

Claims 1, 2, 14-17, 20, 22, 24 and 27-40 were previously pending in this application. By this amendment, Applicant is canceling claims 1, 2, 14-17, 20, 22, 24, 27-29, and 36-40 without prejudice or disclaimer. Claims 30-35 have been amended. No new claims have been added. As a result claims 30-35 are pending for examination with claims 30-35 being independent claims. No new matter has been added.

#### ***Claim Rejections Under 35 U.S.C. §103***

In the Office Action, claims 20, 22, 24, 27-29 are rejected under 35 U.S.C. §103(a) as being unpatentable over Skidmore (U.S. Patent No. 3,985,348) in view of Surface (U.S. Patent No. 5,123,828) or alternatively in further view of Bilhorn (U.S. Patent No. 4,976,904).

Without acceding to the propriety of the Examiner's positions, Applicant has canceled these claims to allow a patent to issue with claims the Examiner has indicated as allowable.

Accordingly, these rejections are moot.

#### ***Allowable Subject Matter***

Applicant acknowledges the Examiner's finding that the claims 36-40 are allowed and that claims 30-35 would be allowable if rewritten in independent form including all of the limitations of their base claims and any intervening claims. Claims 30-35 have been so rewritten, such that these claims should be in condition for allowance. Claims 36-40 have been canceled to delete any substantially duplicate claims.

### **CONCLUSION**

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicant's attorney at the telephone number listed below.
